Can you cycle 100 kilometres? Join us for Emitremmus – or Summertime Reversed.

Sunday 30<sup>th</sup> October may be the first day of “winter time” but after you’ve enjoyed that extra hour in bed come and ride our 100 kilometre brevet populaire from Stevenage (Fairlands Valley Park) to Saffron Walden and back.

The route is mostly on quiet roads and country lanes.

This is not a race. You get between four and eight hours to complete the 63 mile ride. Cycle at your own pace. You can ride alone or in a group.

The check points in Hare Street (near Buntingford), Saffron Walden and Therfield are at cafés, a tea room and a village hall so you won’t go hungry or thirsty.

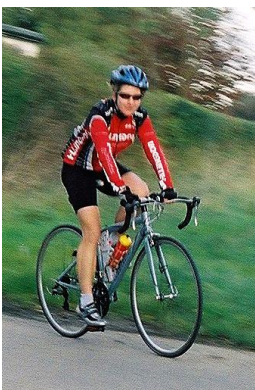

More than 300 are expected. Please enter in advance. Entries cost £6 (£4 for CTC/AUK members). If there are any places left on the day they will be £8.

The event HQ is at Costello’s Café (SG2 0BL). It will be open for breakfast. Please try to get there by 9.45a.m.

You will get a detailed route sheet and other information when you enter. Ride in a group, with a friend or by yourself.

Free souvenir frame number for the first 360 entrants. Medals and polo shirts can be purchased. “Emit Lite” and limited “early bird” options available this year.
